

**HSD Srinivas**  
**HSTP Board Member**

HSD Srinivas leads and manages the Primary Care Health Projects and Grants at the Tata Trusts. He has nearly three decades of experience in Health care Operations, Performance Management, People Development and Stake Holder Management with Leadership experience in Hospital and Pre-Hospital settings.

Currently leading Health Systems Strengthening projects at Tata Trusts, India's leading philanthropic organization, Srinivas is interested in building replicable and scalable models of Healthcare Delivery that can leverage existing and emerging technologies for large scale impact in the Primary and Preventive care space. Prior to working with the Tata Trusts, he led Reliance Foundation's community health initiatives in Mumbai and other locations.

HSD Srinivas was also the Chief HR officer at the L.V. Prasad Eye Institute in Hyderabad where he managed over a thousand employees. He was the Chief Operating Officer – A.P. operations - at EMRI Hyderabad, where he led 4800 associates of 108 services, in Public Private Partnership mode with GoAP, to ensure effective service delivery, handling close to 4500 emergency victims every day.
