

**Dr. Sonali Randhawa**  
*Senior Researcher*

Dr. Sonali Randhawa is a Senior Researcher in the Health Systems Transformation Platform, focused on strengthening health systems governance in India. Her current work revolves around generating evidence on governance issues related to healthcare delivery, including areas such as home healthcare and the emergency care system. She also manages the HSTP – Health Journalism Fellowship programme for journalists. From 2018 to 2020, she worked as an INFOSYS Fellow consultant at Piramal Swasthya Management and Research Institute, contributing to the State health system strengthening project in Assam, India. With a background as a dentist, she holds a Master of Public Health degree affiliated with the Sree Chitra Tirunal Institute for Medical Sciences and Technology, Trivandrum, Kerala.
