

Dr. Pranay Lal
Senior Advisor

Pranay Lal is Senior Advisor with HSTP. Prior to joining HSTP, he was Senior Technical Advisor, the International Union Against Tuberculosis and Lung Disease, where he worked for fifteen years towards advancing lung health in South and Southeast Asia. From 2005 to 2007, he worked as Director (Policy) with the International AIDS Vaccine Initiative (IAVI) to advance the development of the first preventive HIV vaccine. He is biochemist and environment scientist by training and has degrees from Universities of Oxford and Bombay. From 2000 to 2005, he led the health and environment unit at the Centre for Science and Environment (CSE), New Delhi. His research interests include climate change, infectious disease ecology and mitigating climate change and disease outbreaks.
